IMPORTANT DATES

- Registration for continuing students is not available due to New Student Orientation/Registration except for the following dates.
  - July 27 – August 14 and August 20 – Drop/Add deadline
- July 12: Summer-2 classes begin; Last day of Drop/Add for Summer-2 classes.
- August 23: Fall full semester and Express-1 classes begin.
- August 25: Drop/Add deadline for Express-1 classes.
- August 29: Drop/Add deadline for full semester classes.

Registration entry dates: registrar.cofc.edu/calendars/entrytimes
Summer 2022 Academic Calendar: registrar.cofc.edu/calendars/ac-2022summer
Fall 2022 Academic Calendar: registrar.cofc.edu/calendars/ac-2022fall

BON VOYAGE, GEOL 362: FIELD STUDIES IN ENVIRONMENTAL GEOSCIENCES

GEOL 362: Field Studies in Environmental Geosciences students are preparing to head to the Colorado River basin area with Dr. Vijay Vulava and Dr. Mitchell Colgan. Follow @cofcgeology on Instagram for student story takeovers during the trip (July 11-July 30)!

TODAY! CHARLESTON RIVERDOGS SUMMER MEETUP: THURSDAY, JULY 7
Any and all are invited to join us for a summer meetup at the **Charleston Riverdogs game** TODAY, Thursday, July 7! Bring your friends, bring your family! And don't be shy about spreading the word!

We will gather in Section 212, the General Admission section that does not have assigned seating. Tickets should be purchased on the Riverdogs website. We are not selling tickets through The College or Department, and there is not a group or event code.

Just snag your ticket(s) and meet us there!

**RECENT GRADUATES + RISING SENIORS NETWORKING EVENT WITH CHARLESTON AREA ALUMNI**

Recent Geology & Environmental Geosciences graduates and rising seniors are invited to join Charleston-area alumni for a networking event on Thursday, July 14 from 5:00 – 7:00 PM at Share House. Monthly events will be held the second Thursday of every month. Times and locations are subject to change. Be sure to check Instagram stories, this [website page](#), and your CofC email to stay in the know!
NATIONAL RECENT GEOSCIENCE GRADUATE SURVEY

Are you a new or soon-to-be Bachelor’s, Master’s or Doctoral degree recipient? If you have or will receive a geoscience degree between September 1, 2021 and August 31, 2022, share your educational experience and upcoming plans by participating in the 2022 National Recent Geoscience Graduate Survey. Your feedback will help to inform geoscience academic departments and employers about your educational experience and career preparation as a geoscientist.

To participate, please visit: https://www.americangeosciences.org/graduatesurvey

The Status of Recent Geoscience Graduates 2021 report is available as a free download.

OFFICE OF INSTITUTIONAL DIVERSITY LAUNCHPAD FOR SUCCESS

Applications for Launchpad for Success are currently accepted. This two-year customized, career readiness program aims to provide incoming freshmen and rising sophomores with the tools they need to be successful after college. Topics covered include financial literacy, career development and leadership development. A total of 10 students (5 freshmen and 5 sophomores) will be selected. Applications close July 29.

Launchpad applications can be accessed here: Launchpad Program Application (google.com)
Launchpad’s Peer Coach application is also open. This paid opportunity gives two upperclassmen the opportunity to serve as mentor-leaders for the program. Peer Coaches will be paid $10/hour. Ideal applicants are willing to invest 4-5 hours a week (+ some evenings) and are experienced peer leaders (e.g. Greek Life, Student Ambassadors, orientation, etc.). Applications close July 15.

Launchpad's Peer Coach applications can be accessed here:
CofC Peer Educator Application 2022-2023 (google.com)
ASSOCIATION FOR WOMEN GEOSCIENTISTS (AWG) AWARDS & SCHOLARSHIPS

AWG offers a wide range of professional and student awards and scholarships! The Sand Student Travel Award is currently accepting applications (application deadline: August 10). This award provides women geoscience students with support to present their research at the Annual Meeting of the Geological Society of America.

Students are encouraged to join AWG to receive information on application openings and deadlines for other opportunities such as:

- AWG Maria Crawford Field Camp Scholarship
  - This program awards two $750 scholarships annually to support field studies.
- Geoscience IDEA Scholarship
  - The Geoscience Inclusion, Diversity, Equality, and Accessibility (IDEA) Scholarship program provides up to $5,000 in awards annually, typically split between two or more undergraduate students.
- AWG Undergraduate Excellence in Paleontology Award
  - This award consists of a $1,000 cash prize and membership in the Paleontological Society and AWG for the tenure of the awardee’s schooling. It is awarded to one outstanding female undergraduate student pursuing a career in paleontology.
- Winifred Goldring Award
  - This award consists of a $2,000 cash prize and membership in the Paleontological Society and AWG for the tenure of the awardee’s schooling. It is awarded to three outstanding female graduate students pursuing a career in paleontology.
- Brunton Award
  - This award will go to a female geoscience student at the senior level or in her early graduate students who has been a summer intern, excelled at field camp, or performed field data collection that leads to a senior or graduate thesis.
- Jeanne E. Harris Chrysalis Scholarship
  - The Jeanne E. Harris Chrysalis Scholarship provides degree-completion funding for women geoscience graduate students whose education has been significantly interrupted by life circumstances.
- Takken Student Research Presentation Travel Award
  - This award is to be used to help defray travel, lodging, registration fee, and other expenses associated with the presentation of the awardee’s research at a national or international professional geoscience meeting other than the Annual Meeting of the Geological Society of America.

**WATER CHATS: CALL FOR STUDENT RESEARCH**

Share your water quality research and application projects through Water Chats, a virtual, South Carolina-focused platform to discuss the latest updates in water quality research to inform resource management in South Carolina. Undergraduate and graduate level students doing research in South Carolina are encouraged to submit an abstract for consideration and inclusion in the Water Chats virtual program. More information can be found [here](#).

- **Stormwater Control Measures** - Webinar Dates: August 23 and 25, 2022
  - Abstracts Due: 5pm on June 23rd
- **Source Water Protection** - Webinar Dates: September 20 and 22, 2022
  - Abstracts Due: 5pm on July 20th

**WATER CHATS: 2022 WEBINAR SERIES**

Water Chats provides opportunities to share information on public and private sector advancements in water quality research and management applications that may benefit South Carolina’s community, environment, economy, and future. In 2022, Water Chats will be offered through a virtual webinar series. Register for the virtual training sessions [here](#).

- **Contaminants of Concern** - Webinar Dates: June 28 and 30, 2022
- **Harmful Algal Blooms** - Webinar Dates: July 26 and 28, 2022
- **Stormwater Control Measures** - Webinar Dates: August 23 and 25, 2022
- **Source Water Protection** - Webinar Dates: September 20 and 22, 2022

**FALL 2022 REGISTRATION**
Fall 2022 registration for continuing students is limited during the summer due to New Student Orientation and Registration. Registration via MyPortal is open to continuing students during the dates listed below.

- June 29 – July 6
- July 27 – August 14
- August 20 – Drop/Add deadline (August 25 for Express-1 and August 29 for full-term courses)

Note that upper-level Special Topics courses like GEOL 495-01: Hydrographic Mapping & Characterization and GEOL 495-02: Mass Extinctions and the History of Life have coded prerequisites that might prevent some students from self-registering. If you are interested in either of these Special Topics courses, please contact the course instructors and Kristen White (whitekl@cofc.edu) to request instructor permission and registration assistance.

**JOB AND OPPORTUNITY BOARD**

Info about conferences, webinars, workshops, internships, job opportunities and more can be found on our [Job & Opportunities Board](#)! Be sure to bookmark this site!

**OFFICE HOURS**

Need assistance this summer? Contact Kristen White (whitekl@cofc.edu) or Dr. Tim Callahan (callahant@cofc.edu). In-person or virtual meetings are available by appointment.
