IMPORTANT DATES

- Tuesday, March 29: Fall 2022 registration began by assigned entry date for currently enrolled students. GEOL and GENV majors should meet with their advisors prior to their assigned entry date so that advising holds can be lifted before their registration opens.
- Tuesday, April 19: Last day of Express-2 classes.
- Monday, April 25: Last day of full semester classes.
- Tuesday, April 26: Reading Day
- Wednesday, April 27: First day of full semester and Express-2 final exams.
- Friday-Saturday, May 6-7: Spring 2022 Commencement Ceremonies

FALL 2022 REGISTRATION

Fall 2022 registration continues to open by assigned entry date for current students via Self Service Banner 9 (SSB9) in MyPortal. In MyPortal, use the Registration Tools tile to access SSB9 to register for classes. Registration opens at 8:00 am Eastern Standard Time on designated dates. The registration entry date schedule is based on earned hours. This does not include the hours in which you are currently enrolled.

The Fall 2022 schedule can be viewed in MyPortal (https://myportal.cofc.edu/). Visit the Geology & Environmental Geosciences Academic Information webpage for Fall 2022 Advising Guides and course flyers.

All HOLDS must be resolved before you can register for classes. Students must also agree to the Financial Responsibility and verify address and contact information before registering for classes. You can view holds by clicking on “Prepare for Registration” after you click on the Registration Tools tile. You can also complete the Action Items of completing the Financial Responsibility and Address and Emergency Contact Verification by clicking on “Register for Classes” or by opening the Personal Information Tile.

Here are some helpful resources on How to...

- Access MyPortal
- Register for classes

If you have any technical issues accessing MyPortal, visit help.cofc.edu to contact IT Service Desk.

COFC EXPO 2022

The SSM Research Poster Session is now part of CoFC EXPO 2022 that will be held on Thursday, April 7, 2022 from 10:30 am to 1:00 pm in TD Arena. Students who have conducted mentored research, scholarship, creative inquiry, or community service projects during Summer 2021 or the 2021-2022 Academic Year will present during this free event that is open to the public!
SAVE THE DATE

Senior Roast will be on **Monday, April 25, 2022 from 5:00 – 8:00 pm** at **Charleston Beerworks** (480 King St.) with the **program starting at 6:15 pm**.

Senior Roast is an annual event honoring Geology & Environmental Geosciences graduates, but students from all classes are welcome to celebrate with seniors and faculty!
