STUDENT INTERVIEW WORKSHOP

The [Geology Alumni Board of Advocates](#) and the [Geology Club](#) have teamed up to hold two events centered around interview preparation! These include an Interview Workshop and a Mock Interview Week.

During the first event, the Interview Workshop, students will hear from CofC alumni on how to succeed at professional interviews. An Interview Coach and an experienced Geoscientist will provide students with tips and tricks to rock an interview!

- **When:** tomorrow Thursday, February 17th at 4:00 PM
- **Where:** SSMB 211 or Zoom (click [here](#) for meeting link)
- **What to expect:**
  - How to navigate the interview process
  - Specific questions asked during geology interviews
  - What not to do in an interview
  - Q&A session with speakers

The Interview Workshop is open to club members and all majors and minors in the department! Details on Mock Interview Week will be provided later.
**NETWORKING SURVEY**

The Office of Institutional Diversity at CofC is asking students to fill out this survey about their current level of knowledge and experience with networking. The deadline is today, February 16, 2022.

**AAPG DISTINGUISHED LECTURE**
