GEOLOGY CLUB

The Geology Club’s first meeting will be on Thursday, January 27th at 4:30pm in SSMB 211 or virtually on Zoom (here is the meeting link)! Come learn about upcoming events for the semester and get more information if you’re thinking about joining the club! Email Jordan James (jamesjt@g.cofc.edu) with any questions.

SUMMER INTERNSHIP MEETING

Interested in finding and discussing summer opportunities like internships? Join Dr. Beutel on Friday, January 21st at 1:00pm in SSMB 215 or over Zoom! Email Dr. Beutel (beutele@cofc.edu) with questions and for the Zoom link.

SUMMER 2022 FIELD STUDIES SCHOLARSHIPS

Scholarships are available for Summer 2022 Field Studies, and the deadline is approaching fast! Students should sign in at cofc.academicworks.com using their CofC username/password. Search keyword: Royal Hartenberger application. It doesn’t take long to apply – so apply today! The deadline is Tuesday, January 25th.

VIRTUAL READING PARTNERS VOLUNTEER OPPORTUNITY

Reading Partners is a local nonprofit that pairs community members with elementary school students who are months to years behind in their reading levels. Tutors work one-on-one with their students once or twice a week for a semester or school year. They are in desperate need of tutors, so if you’re interested, you can find more information and sign up here!

SCHOOL OF SCIENCE AND MATHEMATICS UNDERGRADUATE SUMMER RESEARCH FUNDING

SSM students are encouraged to apply for $4000 stipends for summer undergraduate research. Students completing 10-week research with a CoFC research mentor will be given priority. Applications
are due on Friday, February 11, 2022. All applicants should also apply for SURF funding from the Office of Undergraduate Research and Creative Activities (URCA).
