STUDENT MEETING

The 2021 Geology and Environmental Geosciences Student Meeting is next Monday, October 11th from 4:15-5:00 pm in SSMB 138. There will be information about Spring 2022 classes, faculty and research opportunities, a Q&A about our programs, and trivia to win some swag! Join us in the SSMB Courtyard immediately after the meeting for pizza, bocce, Kan Jam, and more!

SUMMER 2022 FIELD STUDIES

Planning to take Field Studies in Summer 2022? Complete this Google form poll to help us plan!
FALL COURSE OPPORTUNITY

There is still time to register for Intro to Seafloor Mapping-Express II! Class will start Friday, October 22 (after Fall Break), but the deadline to register is Friday, October 15.

KUDOS

- **Sarah Boessenecker** was featured in a Lowcountry Parent article about the Mace Brown Museum of Natural History. Read the article [here](#).
- **Dr. John Chadwick** was featured in [The College Today](#) and [Count on News 2](#) for the NASA grant he received to study volcanoes on Mars. There will be opportunities for students!
- **Dr. Leslie Sautter** was recently panel member on [The American Blue Economy Podcast](#). Dive into the latest episode Ocean Mapping, Exploration, and Characterization [here](#)!
JOB AND OPPORTUNITIES BOARD UPDATES

- Student-Career Panel Workshop
  - Thursday, October 7 from 11:00 am - 12:00 pm
  - This workshop will provide information, tools, and methods to navigate career paths into the NOAA workforce, including a demonstration on the USAjobs website. This is an opportunity to hear from current employees on how they navigated their academic journey into a professional career at NOAA!
  - Register for the event [here](#).

- Resilience Program Assistant
  - Deadline: Open until position filled
  - The S.C. Sea Grant Consortium is looking for a part-time research assistant to aid in assembling and cataloging information, materials, and policies associated with planning for resilience to the impacts of climate change.
  - Read more about the position [here](#).

- South Atlantic Reef Fish Extension/Communication Fellowship
  - Deadline: October 15, 2021
  - The N.C. Sea Grant Office is seeking a fellow to work on projects such as bait and tackle shop engagement, coordinating offshore media trips, and developing annual research symposiums.
  - Learn more about the fellowship [here](#).

FOR YOUR ATTENTION | GET INVOLVED TO HELP

Geology alumnus Daniel Robinson (2019) has been missing in Arizona since June 23. He was last seen leaving his job site in Buckeye, AZ and is believed to have headed west into desert terrain. Daniel’s family has created a website for individuals to submit tips or any other information ([pleasehelpfinddaniel.com](http://pleasehelpfinddaniel.com) and [searchfordaniel.org](http://searchfordaniel.org)) and a GoFundMe to assist with the search. Instagram users can also follow [@pleasehelpfinddaniel](http://pleasehelpfinddaniel) for updates posted directly by the family.
CLIMATE AND JUSTICE WORLDWIDE TEACH-IN

Join a 30-minute virtual information session on Wednesday, October 6 at 10:00 am or 3:00 pm to learn about the Worldwide Teach-In on Climate and Justice that will take place on March 30, 2022. Learn how to easily engage hundreds of people in serious dialogue about climate solutions and justice through registering your school, class, or organization! Register for an October 6 info session here.

DEPARTMENTAL RESOURCES

The student study room, SSMB 227, is available to majors and minors. Contact Kristen White to get access. Don’t forget to mask up!
